WINTER GARBAGE COLLECTION FOR THE MONTHS OF NOVEMBER TO APRIL

Estérel, October 26, 2020 - We wish to inform you that the garbage collection schedule will be changing as of next November and until April 2021. The same will prevail next winter.

Please visit our website at <http://www.villedesterel.com/fr/Les-Services/Dechets--Recyclage--Encombrants-et-RDD/> for collection dates.

For the winter months (from November to April), garbage will only be picked up once a month throughout Ville d'Estérel's territory. Thus, it is important that garbage bins (green bins) are properly placed out and within sight the night before collection is scheduled.

As it no longer falls upon Ville d'Estérel to manage residual materials, including household waste pick-up, questions or comments should be forwarded directly to the MRC des Pays-d'en-Haut through the Info-Collecte service, by phone at 450 229-8052 or 1 855 PDH-RECY, or by email at infocollecte@mrcdph.org.

We thank you for your ongoing cooperation.
