For immediate release

OPENING OF CITY HALL BOAT STICKERS INSECT CONTROL PROGRAM

May 1st, 2020

Dear Citizens,

We wish to inform you of the latest developments and measures put in place to protect the health of citizens, employees and council members.

Starting May 11, City Hall will reopen to the public unless circumstances warrant otherwise. Social distancing as well as hand washing will be compulsory for all visitors.

The Thomas-Louis-Simard and Estérel parks however will be closed until further notice.

We invite boaters, starting next week, to contact us to order your 2020 stickers. Please note you may retrieve your stickers on weekdays from 8h30 to 12h00 and from 1:00 p.m. to 4:30 p.m. We will also open on Saturday, May 23, from 9:30 a.m. to 4:00 p.m.

Finally, the treatment of mosquitos and black flies began this week. We invite you to address any questions and comments to the mosquito info line (1 844 840-8700) or directly to the project coordinator, Mr. Keven Brunet (819 699-9387 or esterel@kersia-group.com).

Warmest regards,

Joseph Dydzak, Mayor
