

For immediate release

COVID-19 (CORONAVIRUS)

April 9, 2020

Dear Citizens,

Since the Coronavirus pandemic was declared, many residents have sought refuge in Estérel. Please remember that the Québec government regional quarantine currently limits part-time residents' access to Estérel¹.

This week, our security service identified all vacant dwellings to better protect your home in your absence and to note who is quarantined here.

For your information, any citizen who has completed his or her quarantine in Estérel with a driver's licence showing an address elsewhere, should be able to drive to Sainte-Marguerite-du-Lac-Masson or Sainte-Adèle to buy necessities and return without incident. Since these three cities are in the same region, movement between them is not controlled. However, the Sûreté du Québec is meticulously checking northbound traffic and issuing stiff fines to drivers who are not following the rules.

Please remember to stay home, practice social distancing, frequently wash your hands and reduce travel to the strict minimum.

I would like to thank our citizens for working together to get through this crisis as quickly as possible.

Finally, allow me to wish all members of our community a Happy Easter and Passover.

Joseph Dydzak, Mayor

1 For details, see the attached decree.
